Art Show – RSVPs

It's less than two weeks now until our school fundraiser art exhibition and auction at the *If U Like Art* gallery in Powell's Road, Brookvale. The children are all very excited about having their work displayed in a 'proper' gallery! It's going to be a fantastic event so **don't forget to send in your RSVPs** as soon as possible....we have received a great number already.

The event is being catered so we really need to know how many people are coming to ensure that we plan for enough food and drinks.

Date: Saturday 21 June

Time: 5:30 – 7:30pm

Place: If U Like Art gallery, Powell's Rd

Each class has created a large art work and these will be auctioned at the event. Also, each child will have at least three individual art works on display that you will be able to buy. I have to tell you that the art works are absolutely amazing and will look lovely on your walls at home.

We have a great team of parent helpers who are doing a wonderful job of helping our art teacher, Gillian Hosking, and also helping in the classroom, designing posters and making labels. Anne-Marie is busy making a catalogue with photos of all the art works so that you can bid or buy before the event if you wish to.

There is a great **Lucky Door** prize of four tickets to Luna Park, with unlimited rides! What a treat that will be for a lucky family! Thank you to the Roper family for kindly donating this fabulous prize.

Library News

Afternoon tea in the library continues at 2.45pm every Wednesday afternoon. Come in for a cuppa on those cold afternoons. Browse or swap a book, have a snack.

Where is the Book Swap? We have two shelves of adult fiction and non-fiction books just inside the library door.

How does it work? Take a book for your own enjoyment and replace it with another when you have finished reading it. You do not have to return the same book. Pass it on, talk about it, and let your children see you talking about books.

Conditions: To encourage participation this is a 'one goes in, one goes out' arrangement. Take a book and then next time you pop in, add one to our collection. (Doesn't matter what – it could be a magazine, it could be in another language). Speaking of which.....

What research says about the importance of understanding and reading in your first language (mother tongue).

It is important for school libraries to have materials in which children can see themselves, to read literature relating to their own lives and families, to feel valued as part of the school culture which will in turn increase their social and academic success. Patton (2008)

As well as building a sense of belonging, security and confidence, Agosto (2007) argues that multicultural resources are especially valuable with the English language acquisition process.

Free digital picture books available from <http://uniteforliteracy.com/> Parents and children can read digital picture books (you can also hear them read). There are currently 114 books and narrations in 18 languages available.

THE MAYORS VISIT 3.6.14

Last Tuesday, the Mayor, Mr Michael Regan came to visit stage 2.

He talked about his job and what it is like to be the mayor. We think being a mayor would be exciting. What would it be like if you were the Mayor?

Everyone was very interested in what the mayor was saying from the beginning to the end. He convinced people to try to be the mayor because after the Mayor left everyone said that they wanted to be a mayor.

The Mayor also told us he works 70 hours a week. We thought the Mayor worked for twenty four hours. The Mayor was very inspiring, he made us want to be a Mayor.

By Tatiyana. S and Alice B.

Stage 2 has thoroughly enjoyed learning many different styles of dance this term. We have busted our moves in Funk, Barn dancing and the Flamenco. We certainly have some talented dancers in Stage 2!
