Miss Skye Surrect
Primary School Teacher
Brookvale Public School
2 Old Pittwater Rd
Brookvale NSW 2100

Dear Miss Surrect,

I am writing a letter to you to explain why Mackellar Girls Campus is a great school.

For the past nine weeks of going to Mackellar Girls Campus, I have enjoyed learning about different things and making new friends. I have met different people from many cultures. Everyone here is very welcoming, nice and kind, just like Brookvale students and teachers. The senior students are very good role-models to younger students and also the teachers here are really good at teaching.

The other thing is that it has high quality teaching. Teachers teach us very well and they are so good at keeping order. Students at Mackellar Girls Campus try their best to achieve their goals and to have a successful life. Students always follow the school rules and they behave well.

Lastly, there are a lot of subjects and my favourite ones are Maths, Visual Arts and Science. There are lots of subjects like Geography, Technology and Drama. There is so much variety to choose from.

I recommend Mackellar Girls Campus to all year 6 girls to study here because it is a great and wonderful school for girls.

Yours sincerely,

A handwritten signature in purple ink that reads "Jewell".

Jewell
