How to purchase some beautiful art for your home.....

Each class has created a fantastic large artwork to be auctioned. If you would like to bid for your class artwork, simply write your name and your bid on the paper next to the artwork. The highest bid wins!

2. The Sale...

Every student has several stunning individual artworks on display. These are available for sale for \$5 each. Please visit the sales desk and a red sticker will be placed on the artwork indicating that it is sold. Imagine how proud the children will be!

Blogging with Penny Pollard

Stage 2 classes have been reading Penny Pollard's Diary in the library and I have modelled how to write a diary entry in the style of the main character. Penny is opinionated, outspoken, hates wearing pink dresses and loves everything about horses. Her diary entries are detailed, written in short staccato-like bursts and the students have been encouraged to write in this style. During library time we have discussed protocols for creating a safe and respectful web presence. Students from both 3-4D and 3-4A have had opportunities for posting comments on our Penny Pollard blog. The blog may be accessed from the NSW DET website from home. Ask your child to show you how they can create a post.

Around the Stages – Stage 3

Multicultural Public Speaking Contest Last Thursday, 12 June four students went to Belrose Public School to represent our school. The two students representing Stage 2 were Jessica Shepherd and Jasmine Peters. Jessica won so she is off to represent the area! Well done Jessica! The two students from Stage 3 were Giulia Carnevale with her speech 'The Meaning of Australia Day' and Joel Ronzini with his speech 'Multiculturalism in the Media'. All these students did their best and represented Brookvale well. It was a great experience and we always learn so much from being there, listening to other students and also what the judges tell us as feedback from our speech.

Giulia and Joel

State Parliament House On 10 June the leadership team went to Parliament House in the city. We were able to meet Brad Hazzard and have a chat to him about our school and our community. We were supplied with recess in Mike Baird's boardroom and that's where we met other leaders from different schools. We learnt new leadership skills in the Legislative Assembly (Green Room) and got to go inside the Legislative Council (Red Room). Everyone had their photo taken with Brad Hazzard and we all received a folder with a certificate for leadership as well. Overall our leadership team and everyone else had a very fun time.

Music Groups

Band Brookvale Public School band performed for the school the other week and had a great time! We played London Bridge, Jingle Bells, Doodle all Day, Power Rock and The Simpsons. All the music groups played well. The band works hard every Tuesday afternoon and Thursday morning learning new songs and about musicianship. Next term we will have a band workshop with Balgowlah High School students. They will give us tips on how to become better players and help us with intensive workshops. We are looking forward to it!

Choir We have learnt a lot of songs this year in the choir with Miss Greatz such as Here Comes the Sun, Swim Little Fishy, I Believe, Like a Drum, Island Of Oceans, So Ku Bonga, Happy and Hair Medley. This term we performed at the Northern Beaches Eisteddfod and even though we didn't place we all tried our best and that is what matters most of all. We were told we sounded fantastic though. It was a great experience and hopefully we get to go again next year.

Trash Percussion On Tuesday afternoons, you can find the Trash Percussion Group practising outside in the playground. This is because we make so much noise! A few weeks ago we played for the school in the hall. We use three drums; the white bins, the blue bins and the Cajons. Our teacher is called Stuart and he is a drummer too. We have learnt a lot about beats and music this year.

Recorder We have a lot of fun in recorder playing so many different songs – at least 20 different songs already! The recorder group is one of the noisiest lessons we have as there are about 17 students in the group, all playing at the same time. Last week we tried to play a Coldplay song but we still need a bit more practice at that.
